100% BABY ALPACA

OEUF KNITS PROMOTE PROSPERITY

When you buy these handmade knits, you help transform the lives of women and children in Bolivia. Oeuf has partnered with indigenous women in self-managed communities to create this unique handcrafted collection. In line with Fair Trade principles, our artisans are paid a living wage which enables them to afford healthcare and education for their children. This product is made from super soft, hypoallergenic baby alpaca wool.
