OEUF INTRODUCES WELCOME, THE LAYETTE COLLECTION

OEUF introduces WELCOME, a brand-new organic cotton line for newborns certified unbleached and untreated.

OEUF has created a collection for welcoming your baby in comfort, with the utmost respect for the delicate fragility of her skin. The collection also includes an exclusive line of accessories. Oeuf's WELCOME garments are designed like a second skin, easy to wear for babies and convenient for parents, dressing the precious and fleeting moments of babyhood.
